Series Narrative

Employees in this series perform duties involving skill in the trade of brickmason.

DESCRIPTIONS OF LEVELS OF WORK

Level I: Brickmason

0623

Employees at this level perform work-requiring skill in the trade of brickmason, following recognized procedures and techniques for such work. They work under direct supervision from a Brickmason Foreman.

A Brickmason typically –

1. lays brick made from any of a variety of materials
2. installs and repairs ceramic and quarry tile
3. lays all stone, with or without mortar
4. sets all marble or slate
5. points, cleans, and caulks all types of masonry
6. performs other related duties as assigned

Level II: Brickmason Foreman

1596

Employees at this level supervise the work of brickmasons and other assigned personnel. They work under general supervision from a designated supervisor.

A Brickmason Foreman typically –

1. directs and supervises the work of brickmasons and other personnel assigned
2. checks time cards and materials
3. checks safety devices for employees working on scaffolds

4. determines cost for labor and materials
5. checks repair and maintenance work
6. performs all duties peculiar to and normally required in the trade of brickmason, following recognized procedures and techniques for such work
7. performs other related duties as assigned
